Swim Team Only Membership Rules

Swim Team Only Membership allows your child(ren) to participate in all swim team related activities. These include practices, swim meets, age group parties, Friday Team Meetings, and other Swim Team Social Functions. Swim Team Only Members are not allowed use of the pools during open swim hours. **The Swim Team Only Membership is limited to Swim Team Activities only.**

Swim Team Only Members may take swim lessons and participate on the Sunset Swim Team. Parents may accompany their child to observe lessons, swim team, and swim meets - but may not use the pools.

Please sign the form below stating that you agree to abide by the Swim Team Only Membership rules and return it with your registration to Sue Ackerman prior to using the pool.

We look forward to swimming with your child this season and hope that he/she will enjoy their swim team membership at the Cabana Club.
